

Sundays 7:15-8:30am

Come out and learn to paddle this winter!
We are the TEAM Survivor Sea Dragons, aka - thriving women who are survivors of cancer and we are

"Stronger Together"

And we laugh a heck of a lot, too!

We welcome like-minded women who are either survivors or supporters (women friends of survivors). Paddling with us is fun and great exercise on the water!

RSVP is required: teamsurvivorsd@gmail.com Subject: New Paddler
